The Rev. John W. Cole, II,
Pastor

August 4, 2020

Dear Members and Friends,

We are pleased to announce that Centenary UMC has been granted permission to reopen. Our first Sunday back was July 26, 2020. We are able to open under the following terms in our Stage 2 In-Person Reopening Plan. It is enclosed for your review. Protocol exhibits can be found on our website (www.cumcport.org), and hard copies will be made upon request. In case you do not have the fortitude or patience to read this whole document (which is reasonably long and admittedly repetitive), please remember four things:

- Do not come to church if you feel sick.
- When on church property, wear a face covering.
- Remember to social distance (at least 6 feet apart from other individuals and/or family groups).
- Register your reservation for church on <https://evc.vaumc.org/open/worshipregistration/Page1.cfm> or be prepared to answer the health questions in the affirmative at our Sunday morning registration table.

Please be patient, the many detailed steps that you are being asked to observe is to limit your exposure to communicable disease while at the church for worship.

I look forward to seeing many of you when you return for in-person worship Sunday mornings at 9:30 a.m. If you choose not to be with us for in-person worship, the service will continue to be livestreamed on Facebook, and you may view it there. Thank you in advance for considering this proposal and for your prayers, patience and faithfulness as we continue to navigate these uncharted waters.

In Easter Hope,

John W. Cole, II
